

MORA A SECOND JARNDYCE CASE.
State Department Flooded With Assignments and Claims Against Indemnity.
WASHINGTON, Sept. 19.—The Mora claim threatens to become a second Jarndyce case. Every mail brings to the state department fresh assignments and subassignments, and until there is a reasonable certainty that all outstanding claims have been heard from the department cannot proceed with the division of the indemnity. In addition to these assignments there are other claims that threaten to give much trouble. Among these are the claims of Mora's nephew to a moiety of the indemnity on the ground that his father was half owner with Mora in the estate, and for a large amount by a person who claims to have had a mortgage on the estate. It is believed that the state department that these claims must eventually be passed upon by the court, and from the amounts involved the claimants doubtless will not be contented with anything less than the decision of the supreme court, in which case the department may be enjoined against any disbursements of the fund for an indefinite period.

Special Privileges For Attorneys.
WASHINGTON, Sept. 19.—James P. Smith of Weeping Water, Neb., was today admitted to practice before the interior department as an agent, and Charles E. Christman and W. H. Christman of the firm of Christman & Christman of Mapleton, Ia., were admitted to practice as attorneys in patent, land and pension claims.

Western Postmaster Appointed.
WASHINGTON, Sept. 19.—A postoffice has been established at Evans, Walworth county, S. D., with Eugene Overholser as postmaster.

Destroyed the Court Records.
LITTLE ROCK, Sept. 19.—News has reached here of the destruction of the court records at Hamburg. The next term of the court in Ashley county was to try 102 persons, a large portion of them under indictment for running "blind tigers." Some persons having the combination of the safe containing the indictment and evidence stole all the written evidence and burned it.

Homestead Company Must Pay.
SIOUX FALLS, Sept. 19.—The United States circuit court of appeals has affirmed the decision of the United States circuit court here awarding \$20,000 damages to William Fullerton for injuries sustained while engineer in the Homestead Mining company's works at Lead. In the first trial the jury allowed Fullerton \$20,000.

Stillwell Murder Trial Set.
HEARNST, Sept. 19.—J. C. Hearnst and his wife were brought here from the Palmyra jail before Judge Roy for the murder of Amos J. Stillwell. They pleaded not guilty and the trial was set for Saturday, Dec. 14. The prisoners were then taken back to the Palmyra jail.

MADE A SLASH IN COAL RATES.
Cut of 70 Cents a Ton Made to Missouri River Points.

CHICAGO, Sept. 19.—The Chicago, Milwaukee and St. Paul has taken action on freight rates that astonished its competitors, and they will hold an indignation meeting to see what they can do in the matter. The Milwaukee and St. Paul announced that it would make a rate of \$2.50 per ton on anthracite coal from the following points: Chicago, Milwaukee, Shelbyville, Gretna Bay and Joliet, to points throughout northwestern Iowa, Council Bluffs and Omaha. The rate previously in effect was \$3.20, and the reduction of the Milwaukee and St. Paul took the other lines entirely by surprise. A call was hurriedly issued by a meeting of two Chicago and Missouri river lines to consider what action is advisable in the light of the reduction. The amount of anthracite carried from Chicago to the Missouri river is not large, but the lines are somewhat apprehensive that the cuts may spread to other commodities.

Kansas Democrats Indignant.
TOPEKA, Sept. 19.—Secretary Piperell of the Democratic state committee has issued a call for a meeting on Oct. 4. As that is just one day before the expiration of the time for filing nomination papers according to the Kansas law, it prevents the holding of a state convention. The action of the committee is freely criticized by many Democrats, who desired an expression from the party on the silver question. The rank and file may take matters into their own hands and call for a convention of the Democrats of the state without reference to the committee.

Victory For Low License.
APPLETON, Wis., Sept. 19.—The city election held here on the question of high or low license resulted in an overwhelming victory for the low license people. Out of a total vote of 1,650 their majority is 695. Only about two-thirds of the vote was out. There was considerable excitement as the question had been violently agitated. It is a worse defeat for the high license people than that of three years ago. They carried but one ward. During the next three years the license fee will be \$300. There are now 70 saloons here.

Kaiser Salts With Hohenzollern.
BERLIN, Sept. 19.—The National Zeitung says that it has authority for declaring the rumors that Prince Hohenzollern is about to retire from the post of chancellor are utterly devoid of foundation. The emperor, it is added, has not expressed himself in favor of the enactment of new and more drastic legislation against socialists, and therefore there is no disagreement between the chancellor and Emperor William on this subject.

Building the Arena at Dallas.
DALLAS, Tex., Sept. 19.—President Dan A. Stewart of the Florida Athletic club this morning put 200 mechanics and laborers at work on the arena for the Corbett-Fitzsimmons prize fight. Hundreds of persons visited the site of the building. The contractors say the building will be completed by Oct. 20.

Fourteen Stores Burned.
ANN ALDER, Minn., Sept. 19.—A fire here burned 14 stores, a church a newspaper office and several other buildings.

VIGILANTES' WARNING.

James Binkard Told to Leave Holt County or Suffer Death.

SCANDAL CAUSES MURDER.

Double Tragedy at Scribner the Result of Gossip—Towns Creameries Closed. Colored People Celebrate—Buried Wealth Stolen.

LINCOLN, Sept. 19.—According to reports from O'Neill the vigilance committee of Holt county, members of which are credited with the lynching of Barrett Scott last December, is again active and threatening vengeance on residents who denounce its methods. Last week James Binkard received a letter warning him to leave the county or suffer death. The offense committed by Binkard was denunciation of the men who murdered Barrett Scott. He heeded the warning and went to Iowa. Several other men have received letters, but have refused to depart. Examiners among them is John Mensie. When he received his notice he quietly hitched up his team, went to O'Neill and had his life insured for the benefit of his family, and returning home sent word to the vigilantes that he was ready to balance accounts at any time and place.

MURDER CAUSED BY A SCANDAL.
Double Tragedy at Scribner the Result of Gossip.
SCRIBNER, Neb., Sept. 19.—Scribner is still in an excited state over the tragic death of two of her townspeople Mr. and Mrs. Fred Hartman. The entire story is a long one.

The cause leading up to the tragedy was given in these words by a prominent witness at the inquest:
"The intemperate talk of a few people in the community to Mr. Hartman about the intimacy of his wife with several men in town." These statements had been working with terrible effect on Mr. Hartman and were the real cause of the murder and suicide. The coroner's jury found as follows:
"That Mrs. Hartman came to her death by strangulation, and that said strangulation was done by her husband, by taking her by the throat and choking her until she was dead, after which he took his own life by hanging himself with a rope in the attic."

Heavy Lincoln Drug Failure.
LINCOLN, Sept. 19.—The failure of the H. T. Clark drug company of Lincoln is announced. The mortgagor has taken possession of the stock. They are the First National bank of Omaha, First National bank of Lincoln and Eva M. Mills. The total amount of the mortgages is \$70,000. Secretary Danbach attributes the failure to the prevailing hard times and great difficulty experienced in making collections.

Bremer and Butler Crop Yields.
WATERLY, Sept. 19.—The average oat yield throughout Bremer and Butler counties is about 65 bushels to the acre and will run about the same north and east. This is not as good as the yield in Cherokee, Plymouth, Woodbury and other western counties. The corn and wheat crop is also behind the west, but the flax and potato crop is excellent. The weather is dry and not.

Colored People to Celebrate.
DES MOINES, Sept. 19.—An excursion of colored people from Kirksville, Huntsville, Mason City and other points in Missouri and Iowa will arrive in the city Saturday to take part in the celebration of the anniversary of the issuance of the emancipation proclamation. The local committee on arrangements is making all the preparations for a great occasion.

Student Commits Suicide.
CEDAR RAPIDS, Sept. 19.—About 5 o'clock last evening Henry J. Davis, a youth of about 20 years old, who had gone to Mount Vernon to attend Cornell college, walked into the ball park at that place, drew a revolver and shot himself in the temple, death being instantaneous. He had been despondent all day, but what caused it is a mystery.

Charged With Forgery.
BLAIR, Neb., Sept. 19.—Elden Bellville, a young man about 23 years old, formerly of Hannan, Neb., was arrested at Plattsmouth on a charge of Sheriff Menck of this city. He is accused of forging three checks, amounting to \$18, on Peter M. Tyson, and passing them on three Blair merchants last Friday.

Fatal Fall at Des Moines.
DES MOINES, Sept. 19.—Owen Swift, aged about 60 years, while delirious from illness, escaped the vigilance of his attendants and escaped from a second story window to the street, receiving injuries from the effects of which he died in a half hour.

Iowa Creameries Closed.
GENEVA, Ia., Sept. 19.—Western and Geneva, proprietors of the Geneva, Hampton, Champion and Latimer creameries, have failed. The farmers in this county will be heavy losers. The former proprietors of this string of creameries failed six months ago.

Impure Water Causes Death.
AURORA, Neb., Sept. 19.—Mrs. J. W. Guilford was buried here. She died of typhoid fever, and is the fifth victim in the family within the last six weeks. Bad well water is blamed for the deaths.

Buried Wealth Stolen.
DES MOINES, Sept. 19.—John Anderson, a school house janitor, had no faith in banks and buried \$600 and two gold watches in his cellar. Some clever thief got the whole pile.

Central Nebraska Veterans' Reunion.
BROKEN BOW, Neb., Sept. 19.—The Central Nebraska Veterans' association reunion commenced at this place.

Record Breaker For Hot Weather.
CHICAGO, Ill., Sept. 19.—The heat has been almost unbearable for a week past, the temperature ranging from 96 to 102 degrees. This is the hottest weather ever known here for September.

"Straight" Democrats File Certificates.
LINCOLN, Sept. 19.—The certificate of the "straight" democratic convention held in Lincoln Sept. 5 was filed with the secretary of state. As the law is construed by Secretary of State Piper, unless a protest is made by the free silver wing of the Democratic party, the names of the candidates nominated by that convention will go on the ticket in due form. As the matter now stands it looks as if the nominees of the Lincoln convention would go on the tickets labeled as Democrats. In this event it would seem that some other designation must be applied to the nominees of the free silver gathering at Omaha.

To Select a Referee For the Big Mill.
NEW YORK, Sept. 19.—A meeting will be held at the office of a sporting paper in this city Friday morning for the purpose of selecting a referee for the Corbett-Fitzsimmons fight. Managers Vandig, Julien and Brady will represent the Florida Athletic club, Fitzsimmons and Corbett respectively.

BULLS CONTROL WHEAT MARKET.
Prices Firm Despite Heavy Northwestern Receipts and Disappointing Cables.
CHICAGO, Sept. 19.—The bull pool still had control of the wheat market today and prices were firm despite heavy northwestern receipts and rather disappointing cables. Hard winter wheat was up 1/2 cent to 1.00, and soft winter wheat was up 1/2 cent to 1.00. The market was firm, helped by the strength in grain. January pork opened 2 1/2 cents lower at 10.50 and sold to 10.65.
